

**Laurenz Marsau**  
**Director & Director of Photography**

**Laurenz Marsau is a 25-year-old cinematographer, director and editor from Hamburg, known for his unique style and creative approach.**

**With a strong focus on emotional impact and storytelling, he combines profound concepts with subtle irony and visual highlights. He is a true digital native who understands the world of social media and integrates it effectively into his work. Laurenz manages projects holistically - from conception to post-production - and has worked with renowned brands such as About You, Closed, adidas, Nike and Bulgari. He is comfortable in small, intimate shoots as well as large productions and always brings fresh ideas and full commitment.**
