

Jan Eric Huehn

Born in 1994, Eric grew up between the German suburbs and the Norwegian fjords.

Always a daydreamer, he loved drifting into the movies inside his head, while his curiosity about people gave him a way to tell those stories.

As one half of the filmmaking duo Hometown, he honed his ability to blur the lines between fiction and nonfiction. After winning several awards - ranging from Vimeo Staff Picks to international short film festivals - and directing for clients around the globe, Eric ventured out on his own. Today, he crafts portrait-driven films that sit at the intersection of observation and imagination.

Eric is based in Berlin and works worldwide.
